# Do You KNOW?

How much do you know about March of Dimes?  
How much do your school and community know?  
Do you know enough?  
Here are a couple of ways to get involved.

**Pins**

**Wristbands**

**Coin banks**

**When people know, they want to help.  
Some ways you can get started today:**

1. Understand the organization and its cause.
2. Learn what you can do to help.
3. Teach others what you know and how they, too, can help save babies.
